

ANNOUNCEMENT

# FJBE annual award for young professionals

Finnish Journal of Business Economics has decided to launch an annual award for the best published article based on Masters Theses. The award is aimed at enhancing the scientific quality of Master Theses as well as the dissemination of interesting research results. It encourages Master Students to directly write thesis as a publishable article. Alternatively, articles can be written on the basis of thesis.

## **AWARD: 2000,00 euros**

### **RULES & CRITERIA**

#### ***Who is eligible to apply?***

All students who are writing or have written thesis are eligible to apply. Co-authoring with thesis supervisor is allowed.

#### ***How to apply?***

Manuscripts should be submitted to FJBE according to standard procedure and they will go through normal double-blind review process. Please mention in submission letter "award".

#### ***Who chooses the winner?***

Editorial board of FJBE chooses the winner of the articles published in FJBE by the end of 2011.

#### ***When is it awarded?***

The decision will be made in the end of January 2012. The author will be personally informed and the winner is also announced in FJBE.

#### ***Further information***
